

There's still time to be part of OUR new book!

KANSAS HIGHWAY PATROL 80TH ANNIVERSARY YEARBOOK

Available to all members, sworn & civilian, active & retired

Kansas Highway Patrol is proud to announce a partnership with Acclaim Press for the production of a 9x12-inch, hardbound, full-color history/yearbook featuring memorabilia and photographs to celebrate the 80th Anniversary of KHP. *We thank the hundreds of members who have already responded. For those of you who have yet to participate... Good News! You still have time!*

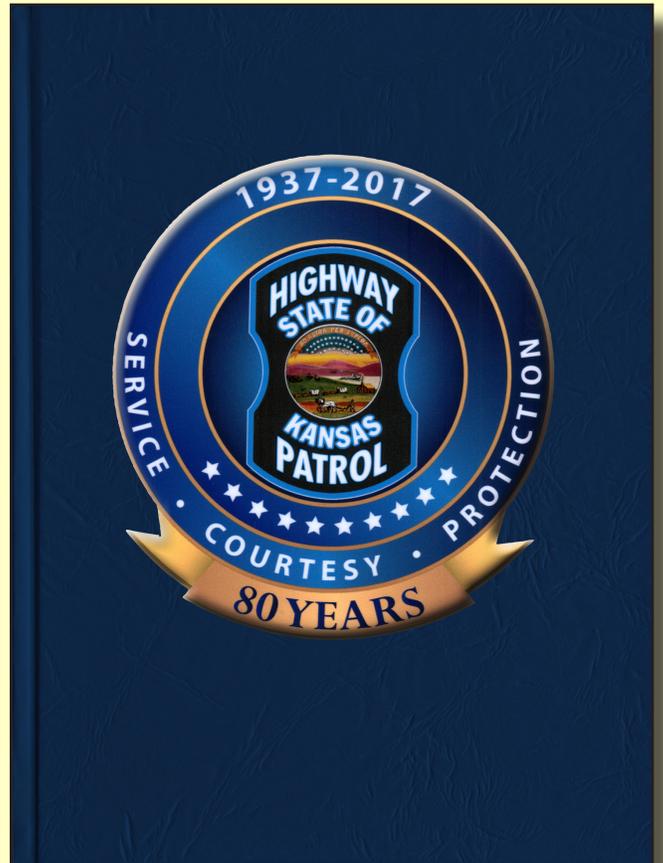

What better way to capture the proud past and promising future of the KHP family than through a collection of pictures and information that combine to tell the story of this great agency and the people who made it what it is today? The publisher and those on the yearbook committee are committed to making this a comprehensive and professional publication of which all our members will be proud, sworn & civilian, active & retired.

This 9x12-inch, hardbound book will be printed in full-color and will contain hundreds of historic and modern photos of both civilian and uniformed personnel. It will also include professional portraits of department members and retirees, as well as candid and action photos.

We Need Your Help

This is your album! To make this book as inclusive as possible we are **asking you to contribute** by sending in your personal historic accounts and stories for consideration. Stories may be humorous or action-packed experiences related to training, special events or other activities that portray the diversity of our agency through the years. *Photos or stories may be emailed to khpbook@acclaimpress.com.*

You may also submit any photographs from your time with the department—action shots, crime scene and group photos will be accepted. *Watch for additional information on when individual portrait photographs will be scheduled.*

Pictured is a sample cover for the Kansas Highway Patrol 80th Anniversary Yearbook. Note: the actual cover will feature the KHP badge stamped in gold foil.
