Part I. Title VI Policy Statement

Title VI of the Civil Rights Act of 1964, and the rules promulgated in 49 CFR Part 21, and 49 CFR Part 303, protects individuals, groups and organizations from discrimination on the basis of race, color or national origin in all programs and activities. The policy of the KHP is to ensure that no person or group of persons shall, on the grounds of race, color, national origin, sex, age, disability, including low income or Limited English Proficiency LEP, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity administered by the KHP, in accordance with the Title VI Program Assurances set forth in Part II.

To ensure compliance with Title VI, as Superintendent of the Kansas Highway Patrol, I have designated Captain Christopher J. Turner as the KHP's Title VI Program Coordinator. Contact information is as follows:

The Kansas Highway Patrol, Motor Carrier Safety Assistance Program, (herein referred to as the “Recipient”), **HEREBY AGREES THAT**, as a condition to receiving any Federal financial assistance from the United States Department of Transportation (DOT), through the **Federal Motor Carrier Safety Administration (FMCSA)**, is subject to and will comply with the following:

Statutory/Regulatory Authorities

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);

- 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964);

The preceding statutory and regulatory cites hereinafter are referred to as the “Acts” and “Regulations,” respectively.

Although not applicable to Recipients directly, there are certain Executive Orders and relevant guidance that direct action by Federal agencies regarding their federally assisted programs and activities to which compliance is required by Recipients to ensure Federal agencies carry out their responsibilities. Executive Order 12898, 3 C.F.R. 859 (1995), entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations” emphasizes that Federal agencies should use existing laws to achieve Environmental Justice, in particular Title VI, to ensure Non-discrimination against minority populations. Recipients should be aware that certain Title VI matters raise Environmental Justice concerns and Federal Highway Administration (FHWA) intends that all Recipients evaluate and revise existing procedures (as appropriate) to address and implement Environmental Justice considerations. See the following FHWA website for more information and facts about Environmental Justice:

[http://www.fhwa.dot.gov/environment/ejustice/facts/index.htm](http://www.fhwa.dot.gov/environment/ejustice/facts/index.htm;);

Additionally, Executive Order 13166, 3 C.F.R. 289 (2001) on Limited English Proficiency, according to the U.S. Department of Justice in its Policy Guidance Document dated August 16, 2000 (65 Fed. Reg. at 50123), clarifies the responsibilities associated with the *“application of Title VI’s prohibition on national origin discrimination when information is provided only in English to persons with Limited English proficiency.”* When receiving Federal funds Recipients are expected to conduct a Four-Factor Analysis to prevent discrimination based on National Origin. (See also USDOT’s *“Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient (LEP) Persons,”* dated December 14, 2005, (70 Fed. Reg. at 74087 to 74100); the Guidance is a useful resource when performing a Four-Factor Analysis).

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

“No person in the United States shall, on the grounds of race, color, national origin, sex, age, disability, low-income, or LEP be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from DOT, including the FMCSA.”

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973) by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally-assisted.

Specific Assurances

More specifically, and without limiting the above general Assurances, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted **FMCSA Program**:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in §§ 21.23 (b) and 21.23 (e) of 49 C.F.R. § 21 will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations;
2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with all Federal Motor Carrier Safety Programs and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

“The KHP in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, all contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner’s race, color, national origin, sex, age, disability, income-level, or LEP in consideration for an award.”;

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations;
4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient;
5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith;

6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property;
7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:
 - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with

regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the KHP also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the **FMCSA** access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the **FMCSA**. You must keep records, reports, and submit the material for review upon request to the **FMCSA**, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The KHP gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the Department of Transportation under the **FMCSA Program**. This ASSURANCE is binding on the Kansas Highway Patrol, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the **FMCSA Program**. The person (s) signing below is authorized to sign this ASSURANCE on behalf of the Recipient.

Part III. Description of Federal-Aid Programs

The Kansas Highway Patrol (KHP) is the regulatory agency tasked with the enforcement of laws, rules, and regulations pertaining to intrastate and interstate motor carriers. The KHP receives federal funding assistance from the Federal Motor Carrier Safety Administration (FMCSA) through the Motor Carrier Safety Assistance Program (MCSAP). The MCSAP program provides federal funds to assist states in the enforcement of federal regulations pertaining to motor carriers, drivers of commercial motor vehicles, and equipment requirements of commercial motor vehicles.

The KHP also receives federal funds under the New Entrant Safety Assurance program from the FMCSA. This program reviews regulations with new motor carrier companies to assure future compliance with carrier management regulations. The KHP serves the general populace of Kansas and the United States by virtue of regulating interstate motor carriers by providing public safety services. While not federally funded, the KHP also provides commercial carriers with oversize, overweight, and credentialing permits. Since the KHP is a public safety provider, all majority and minority groups are beneficiaries of the program. There are no direct benefit programs administered by the KHP.

Part IV. Notification to Beneficiaries/Participants

Title VI information will be posted at KHP facilities in public common areas. The posted information will include statements that the program operates without regard to race, color, national origin, sex, age, or disability, including income-level and LEP. The posted information will include contact information for the Title VI program coordinator to include mailing address, phone number, and email address. It will also include procedures to request the Agency's Non-discrimination obligations and identify procedures for the members of the public to file a complaint against the Agency.

The same information will be made available on the KHP website at www.kansashighwaypatrol.org.

Reports regarding Title VI activities and complaints will be made available on the KHP website as well as being available by request from the Title VI Program Coordinator.

Part V. Sub-Recipient Compliance Reports

The KHP does not have sub-recipients of federal funding.

Part VI. Training

Staff of the KHP will be trained on Title VI awareness in conjunction with all state and agency anti-discrimination policies as part of their initial Kansas Corporation Commission regulatory training. They will be made aware of Title VI complaint procedures and processes should a complaint be identified. They will be trained in the use of language identification materials as well as interpreting services.

Biennial training will be conducted for KHP personnel as continuing education.

Training will consist of videos provided by the U.S. Department of Justice for explanation of the scope and purpose of Title VI, as well as the internal complaint procedures and processes should a discriminatory practice be identified or a complaint filed. Additional training for language identification and interpreting services will be provided as changes to those procedures are made.

Part VII. Access to Records

All records regarding Title VI activities will be collected and maintained at the Troop I office of the Kansas Highway Patrol. These records will be made available to the FMCSA officials in person upon request or reports will be transmitted by computer file.

Part VIII. Complaint Disposition Process

1. The Title VI Program Coordinator will make himself/herself known to all office and program managers within the KHP and, with the assistance of these managers, will attempt to resolve all Civil Rights complaints arising from KHP activities.

2. In addition, the Title VI Program Coordinator will make periodic visits to any locations and/or areas determined to be problematic in an attempt to alleviate any problems in advance of a complaint.

3. The following complaint procedures are applicable to all KHP activities:

i. Any person or group claiming to be aggrieved by an unlawful discriminatory practice based on race, color, national origin, sex, age, disability, including low income or LEP, may by himself/herself or through his/her legally authorized representative, make and sign a complaint and should file such complaint with the KHP within 300 calendar days (180 days if a company has less than 15 employees or if this involves age discrimination) following the date of the alleged discriminatory action. All complaints will be filed with the Title VI Program Coordinator who will evaluate the complaint and gather additional information from the complainant if necessary. The appropriate manager and area supervisor will be notified of the complaint.

ii. The Title VI Program Coordinator or designee has 60 calendar days to conduct an investigation of the allegations and prepare preliminary findings. The Title VI Program Coordinator or designee may refer the matter to the appropriate program area to make every reasonable effort to resolve the complaint as quickly as possible or attempt informal resolution through other methods.

iii. All complaints that cannot be quickly (within 30 calendar days from the preliminary findings being issued) resolved will be reviewed by a committee consisting of the Superintendent or his or her designee, the Assistant Superintendent or his or her designee and the Title VI Program Coordinator . The committee will hold an informal hearing with the

complainant seeking resolution and will render a decision regarding the complaint within 15 working days of the hearing.

iv. When the KHP arrives upon a final decision regarding the complaint filed with the KHP, it will notify the complainant in writing of the decision and of the complainant's rights, if dissatisfied with the decision, to bring the matter to the attention of the appropriate federal agency, typically the Federal Motor Carrier Safety Administration. The KHP will advise the complainant of the name and address of the agency and/or individual to contact.

v. The KHP will provide the federal agency with a copy of the complaint along with any investigatory report within 60 calendar days of the filing of the complaint. The KHP will also furnish the federal agency a report indicating final disposition of the complaint within 5 working days of advising the complainant of the disposition.

vi. The KHP, acting through the Title VI Program Coordinator, will expedite all discrimination complaints filed by individuals, business, group or institution. Information regarding the complaint process will be provided through KHP publications, KHP program activities, and individual personal contact with persons affected by KHP activities.

4. A log of all complaints and investigations will be kept. The log will identify the race, color, sex, national origin, age, disability, including low income or LEP, of the individual making the complaint; recipient of the complaint; date filed; investigation completion date; disposition and other pertinent information.

**Part IX. Status of Corrective Actions Implemented by Applicant to
Address Deficiencies Previously Identified During a Title VI Program
Compliance Review**

The KHP has had no Title VI deficiencies identified by any previous FMCSA OCR or other federal agency review.
